Petro-Canada

Going on holidays this summer? Whether you're camping, going for a short weekend trip, or a cross-Canada tour, remember to apply for the Petro-Canada *SuperPass* card under the KAP group program.

The *SuperPass* Card provides KAP members with 2¢ off each litre of retail fuel they purchase. This discount would be in addition to any other discount that is already in effect. For example, if you see a sign for 3 ½¢ off at a Petro-Canada station, you will actually save a total of 5 ½¢ per litre by using your *SuperPass* Card.

The *SuperPass* Card can also be used at all Petro-Canada Cardlock stations across Canada. Just drive in to any Petro-Canada Cardlock station, any time (24/7), fill up, and keep driving. However, at cardlock stations there is no further discount off the cardlock price.

The *SuperPass* Card is also good for a **20%** discount on car washes at all Petro-Canada retail service stations. If you require any auto repairs, you can stop in at any Petro-Canada Certigard Care Centre across Canada, where your card also entitles you to a **5%** discount on all parts and labour.

To sign up: print the form from the KAP web-site, www.kap.mb.ca, sign up on line at <https://www.online.petro-canada.ca/spapply/KAP>, or phone Doug Sargeant at 1-800-387-0955, ext.2157 and he will fax a form to you.

If you already have an individual Super Pass Card, simply phone Doug Sargeant, and he'll get your card authorized to receive the additional savings under the KAP group program.

With the KAP *SuperPass* Card, you will receive **an extra 2¢ per litre** discount off the retail pump price, **20% off** automatic car washes, and **5% off** all parts & labour.
