Celebrate The AgriCity With KAP

Winnipeg – Manitoba’s dynamic farming industry is at the beginning of a wider range of companies that play a critical role in the economic, environmental and social well-being across the province -- especially in the City of Winnipeg.

Media are invited to attend Farmer Appreciation Day in the Rotunda of the Manitoba Legislature to get a first-hand understanding of how agriculturally-based companies grow the urban economy and create jobs for city dwellers.

What: Farmer Appreciation Day
When: Monday, November 26
Greet & eat at 11:30 am
Brief speeches at 12:00 pm
Where: The Manitoba Legislature Rotunda

KAP will be sharing the profiles of over twenty agriculturally-focused businesses in Winnipeg that stretch what you might think you know about agriculture in the city. Businesses, farmers, elected officials, and agricultural organizations will all be on hand to celebrate this special day. David Rolfe, KAP President, and the Honourable Rosann Wowchuk, Deputy Premier & Minister of Manitoba Agriculture, Food & Rural Initiatives will be speaking about the important relationship between the farm economy and the urban economy.

A delicious Manitoba-themed meal will be provided courtesy of our event partner, the Delta Winnipeg Hotel & Blaze Bistro, and commodity group organizations.
