Premier to Open KAP Annual Meeting

Winnipeg – Keystone Agricultural Producers (KAP) is pleased to announce that Premier Gary Doer will be opening its 24th annual meeting this month. KAP’s annual meeting is its primary policy-setting event, which brings together farmer-delegates from across the province to learn about emerging agricultural issues and discuss important current events.

Premier Doer has been invited to speak about the government’s plan to “green” Manitoba, and how agriculture will fit into meeting these objectives. This fits into the event’s overall theme of “Managing Your Resources.” The Premier will be speaking at 1:00 pm on Wednesday, January 23 at the Delta Winnipeg. He will be joined by speakers on topics ranging from international trade to *Growing Forward* to human resource management to intergenerational transfers and media relations.

A new President will be named on Wednesday, January 23 and two vice presidents will be elected over the course of the meeting.

A complete agenda for the meeting, which runs January 23 – 25, is available at www.kap.mb.ca/agm.htm or from the KAP office.
